WHILE MCCAIN PLAYED POKER during Senate Hearings planning a US strike on Syria, the Assad government **warned** that an assault on its country would "not be easy."

"We have two options: Either to surrender or to defend ourselves, **announced** Syria's Foreign Minister. "The second choice is the best: We will defend ourselves."

Syria's deputy Foreign Minister **added**, "We have taken every measure to retaliate against an aggression. Syria will not change its position even if there is World War 3."

Along with anti-ship Yakhont missiles and Iskandar high-precision missiles, many Syrian Air Force pilots are **preparing** suicide *kamikaze* bomber units to attack the US Navy ships stationed in the eastern Mediterranean poised to strike the Arab country.

But regardless of the repercussions for American lives and interests, the Jewish Lobby that pulls the strings of its puppets on Capitol Hill *will* have its way: A US *War on Syria* leading to WW3 that's "good for the Jews" but bad for everyone else looks like a *done deal*.

AIPAC's Michael Kassen leads the War Cry with, "America must stand strong against barbarism," followed by Abe Foxman's Holofoax spin, "Innocents being gassed invokes that special historical memory and sensitivity."

The Conference of Presidents of Major American Jewish Organizations echoes the cry for carnage with, "Those with weapons of mass destruction must see that there is accountability." (Where have we heard this before?)

Andrew Tabler of the Jewish 'think tank' WINEP makes it clear where Jewry's interests really lie: "Assad's alliance with Israel's arch-enemy Iran makes the Syria crisis a threat to Israel." [View Entire Story Here](#), [Here](#) & [Here](#).

THE JEWISH LOBBY'S PUSH to attack Syria is to create the precedent for a much larger attack on Iran. AIPAC **admits** as much in its own carefully worded statement of support for the Syria attack.

Both Hafez and Bashar Assad scrupulously **kept the peace** with Israel since 1973 but AIPAC owns this issue, it owns DC. This is *their* war. And *their* war they will get...even if Gentile US soldiers have to die.

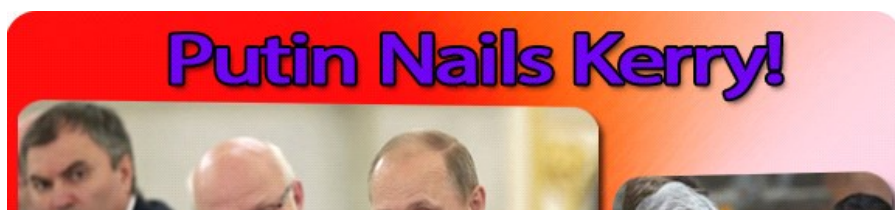

American Jewry *will* get authorization for war against Syria...but, when the time comes, the Jew-enabled Syria push will look like nothing. Syria is just a tactic for AIPAC's political strategy. It's **#1 goal**, no less from the vantage point of Capitol Hill, is war with Iran.

And, of course, the **Jew-bought Congress** will all fall into line or their campaign funds and Jewish-owned main-stream-media support will hit the trash can in the next election.

Yet, to this day, 'evidence' that Assad used gas on his 'own people' (even if he did it was on JewSA-sponsored imported terrorists) is **based on lies** from the chief War Criminal in the White House and remains both **flimsy** and **unconvincing**...where the meat of the 'intelligence' **comes from** the *deceptive and war-waging* (in their own words) Israeli Mossad.

PUTIN CALLS KERRY A LIAR

IN A SPEECH before his Human Rights Council on September 4, Russian president Vladimir Putin had some **harsh (yet true) words** to say about US State Department head John Kerry.

Citing a congressional debate where Kerry was asked about al Qaeda, Putin **remarked** that even though Kerry was well aware that the al Qaeda-linked *Jabhat al-Nusra* group was fighting with the 'rebels,' he denied that it was operating in Syria.

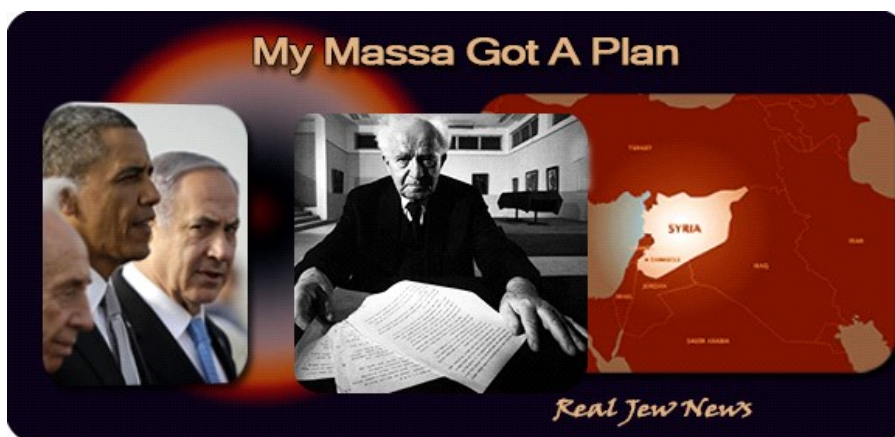

When Kerry was asked on September 3rd while **testifying before the Senate Foreign Relations Committee** if the Syrian opposition was infiltrated by al Qaeda, Kerry responded that it was "basically incorrect" and that the opposition had "increasingly become more defined by its moderation."

Putin's **response?** "This was very unpleasant and surprising for me. We talk to the Americans and assume they are decent people, but he's lying and he knows he's lying. This is sad."

For sure, as Putin knows the truth about the Syria crisis, many of the Free Syrian Army 'rebels' have **defected** to the al-Nusra Front terrorists who are doing the **main** fighting.

And it's the Syrian Christians, (who have already suffered at the **hands** of JewSA's funded terrorists), who will be **laid out for the slaughter** if the Jews get their '**regime change**'... a stipulation just **added** to the Senate Resolution on Syria.

But do Jews care about Christians? They crucified Christ and they will not scruple to crucify Christians in Syria so long as they get their 'Greater Israel' agenda accomplished.

JEWRY'S MASTER PLAN

A GEOPOLITICAL STRUGGLE is now in the making *vis-a-vis* the **Jewish lie** that's pushing America into WW3 by first attacking Syria opening the door for a coordinated US-Israeli strike into Lebanon and then on to Iran.

It's a struggle for **oil and hegemony** NOT a struggle for democracy. And the Jews will use the US military until the empire dies and Pax Judaica rises in its stead.

For besides executing the "**Oded Yinon Master Plan**" to fragment Syria into a mosaic of ethnic and sectarian groupings, Jewry has its greedy eyes on water-rich Lebanon and the oil-rich Golan Heights.

When the US strikes Syria, opportunistic Israel will use an **orchestrated** 'Hezbollah attack on Israel' as a pretext to **expand its territory** up to the **Litani River** as it did in 2006, **grabbing** Lebanon's **water resources** and adding military strength to the US efforts to smash Assad.

With that river in mind, it was in the 1930s that Ben-Gurion **conceived of boundaries** for the fledgling state of Israel extending from the Litani River in Lebanon across the Syrian Desert through Jordan and south into the Sinai Peninsula.

With Syria *incapacitated* by a US strike **on its infrastructure**, (**as in Libya**), Tel Aviv will tighten its grip on the Syrian Golan Heights which Israel has **occupied** for decades...voila!...Enter *International Jewry*.

The *Genie Energy Company*, whose **principals include** the Jews: Jacob Rothschild, Rupert Murdoch, Howard Jonas, Michael Steinhardt and Gentile Zionist shill, Dick Cheney, was recently **awarded** via its Israeli subsidiary, *Genie Israel Oil and Gas*, **exploration rights** of the oil and gas reserves in the Golan Heights.

And the US Military will do Jewry's dirty work for them. Jews don't send their own to die in their wars.

While McCain **plays poker** with the lives of US soldiers...it's the Jews who hold the cards.

Congress will fold and the US military will dive headlong into WW3 whose carnage will be 'good for the Jews' but bad for everyone else.

Thank You Servants Of Jesus Christ

Dear Real Jew News Family -

The JEWS are not only OUR "misfortune" but are Asma's & Bashar's (two people BETTER than ALL Jews put together) MISFORTUNE.

The WICKED Jew-Owned Press (no, NOT "corporations" OR "presstitutes" But JEWS) paint the Assad's as the new Hitlers.

But Dr Assad and his lovely wife Asma are REFINED people and NOT guttural, Christ-CRUCIFIERS like JEWS.

Dr Assad is PROTECTING Christians in Syria BUT JewSA is FUNDING the Al-Quada TERRORISTS in Syria who wish to SLAUGHTER Christ's people.

This JEW-BOUGHT country is UNDER Christ's HOLY JUDGEMENT. You wait and see if JewSA marches to Jewry's drumbeat then ALL HELL *will* break loose.

This Article is my Birthday Present to MYSELF.

I wanted to EXPOSE the REAL CRIMINALS-JEWS!-Who Are Leading JewSA Into Yet ANOTHER War...THIS time heading us into WW3.

"Happy Birthday" dear Brother Nathanael! YOU are the ONLY one WITH THE GUTS to NAME the Jew NAMES and SHOW the Jew Faces.

Bravo!

I Wish Myself MANY YEARS to Continue EXPOSING Christ-Crucifying JEWS!

Dear Real Jew News Family,

Please bear with me for a bit with regard to new Articles & Videos as I am engaged in two very time-consuming Projects:

1. I am working on my VERY OWN Video Platform 24/7 whereby I will have COMPLETE independence and won't have to be looking over my shoulder constantly on-guard against JEW censorship.

There are now 3 main Video Platforms on the net: YouTube, Vimeo, and LiveLeak.

Soon I will have my OWN Video Platform and Lord willing it will eventually expand into a 4th main Video Platform that other Truth-oriented publicists could use.

2. Due to YouTube taking down my Video, "The Real IRS Scandal," charging me with "Hate Speech," I am now working with some of my lawyers (very draining AND expensive) on an Appeal. Please pray that I get YouTube's arbitrary decision reversed.

"Hate Speech" terminology is a JEW INVENTION aimed at destroying our Gentile Founding Father's FIRST AMENDMENT.

The ADL with their BILLIONS of criminal dollars have foisted this freedom-subverting "hate speech" *legalese* into our judicial system to PREVENT exposure of Jewish criminality.

I WILL not bow before WICKED JEWS, CHRIST-CRUCIFIERS and am working around the clock preparing an APPEAL with my lawyers to contest YouTube's discrimination against me. (The book of Proverbs says: "The righteous bowing before the wicked is like a troubled spring and a broken down wall.")

I have uploaded my Video, "The Real IRS Scandal" on LiveLeak and SOON it will be up on my own Video Platform once I get the infrastructure, software, and Cloud System, and new Website for it all co-ordinated which may take a week or so.

See my Video, "The Real IRS Scandal," (now uploaded to LiveLeak) that YouTube took down @ <http://www.realjewnews.com/?p=820>

September 5, 2013 @ 10:08 pm

Happy Birthday, Brother Nathanael! May you have many blessings to come.

From the looks of it, (this my opinion) an airstrike on Syria is very unlikely. There is just too much at stake, both for Jews and their shills.

You've probably noticed that Rush Limbaugh, Michael Savage and other neo-cons like them think it's a BAD idea. Rush even goes as far as saying that the chemical weapons is a false-flag operation.

I also think there some internal fighting within the Jewish ranks. They run the risk of losing their Zionist project know as Israel to the ground. Plus, Obama is not that stupid (again my opinion) to engage in a war with Syria along with Russia, China and Iran at the same time.

Jews on the left and right are hard pressed to come to an agreement on how go about their world hegemony. Any miscalculation could lead to a mass awakening of the 'Gentile' world.

I could only pray that cooler heads can prevail. However, if Congress decides not to give it a vote, who's to say that either Obama would still disobey the rule of law, or Jewish interests pulling a fast one to inevitably become involved in Syria's or Iran's affairs even more overtly. Only time can tell.

Thank you, Brother Nathanael for all of your efforts.

September 5, 2013 @ 10:09 pm

I wonder if the reason that Syria is stated to be guilty for the sarin gas attack is a word mind game lie as follows:

- (1) Sarin gas is stated to be proven to be guilty by science for the mass killing.
- (2) Syrian is equated to be the same as Sarin, as the two words are almost identical in sound in English.
- (3) Therefore Syria is guilty for the sarin gas mass killing, because the word Syrian is equated to be the same (or almost the same) as the word Sarin.

This is my guess as to what is going on.

I thought Hezbollah was a pro-Palestinian construct?

I am getting conflicting reports and don't know who the bad guys are. Or, is Hezbollah infiltrated by the Mossad as they have done to other groups.

This is making me sick and I have been in prayer all week. Let us all pray for peace in Syria, Palestine, and the rest of the world.

Amen

Thank you Brother, another accurate assessment of the Jews...

'Big picture' goals. This time however they will have bitten off more than they bargained for.

With Russia and Iran both having more advanced technology than the warmongering USA, the conflict will be relatively short and disastrous for the aggressors.

Syrian, Russia and Iran have continually stated they have the ability to respond vigorously and they are not kidding.

A long overdue karmic payback for all the blood spilled over decades.

After this conflict we will see some major adjustments to our world as we know it. I suggest be at peace with the process.

Blessings,

Brian

Bliss, joy, wonder fill you.

Grow in truth that as the sees and the mind forms this process is accessed by the Supreme source of all 24/7.

Justice is served and never fooled. All is witnessed, processed simultaneously from a sea of perceptors. The Supreme is cultivating special witnesses in the height and depth of uniqueness as the light consciousness beings are guided from the edge of the experiment to their home of light consciousness.

As the Master stated you cannot come with Me, there is no where to go. I go to prepare a place for the son of man (all of you) to lay his head (to exist and be).

This was 2000 years ago.

@Paul

Yes, it was a GREAT 'Birthday' for me today.

I spent the ENTIRE day WORKING on this Jew-Exposing piece.

Nothing gives me greater pleasure than doing what everyone else FEARS to do:

Naming the JEW Names & Showing the JEW Faces who are DESTROYING our once stable nation.

Wake up Americans! Jews have STOLEN your nation, your voice, AND your souls.

Happy Birthday dear Brother Nathanael!

You are the ONLY one who has the guts to do what NO ONE else dares to do:

EXPOSE the JEWS for the CRIMINALS and CHRIST-CRUCIFIERS they ARE! +bn

God bless you, dear +BN, and may God grant you many, many more years.

I hope I'm still around when you reach 130, and that you are still calling out the Jews, naming names, and showing their wicked faces.

This a very powerful Article on the geo-political basics concerning Syria, Lebanon, and of course, Israhell's aspirations for "Greater Israel" by progressively stealing other's peoples' lands inch by inch by way of war, terrorism, deception, preying on peoples' weaknesses and resorting to extortion and bribery.

My Massa Got A Plan — a hilarious but true caption. Obombya came up through the corrupt Chicagoland Political Machine, which is nothing but Jew-run and Jew-owned, therefore he is beholdng to them.

If Black people knew what Jews in general think of them behind their backs and in the synagogue, they would know that most Jews are racists and consider Obombya nothing but the Jews' slave "schwartzza in the White House" owned lox, socks and bagels by Israhell, and hold him in considerable contempt.

Excellent insight into the Zionist regime's long standing aspirations to grab Lebanon's territory up to the Litani. I'd forgotten about Oded Yinon's Master Plan, written in 1982, I think, which called for this very thing.

And it would certainly make sense as a major objective when the Zionist regime invaded

Lebanon in 2006, only to get beaten like the dogs they are by the Hezbollah fighting wing.

I looked up who voted how in committee regarding the AUMF.

Kerry: Arab Countries Offered To Pay For Invasion

Secretary of State John Kerry said at Wednesday's hearing that Arab counties have offered to pay for the entirety of unseating President Bashar al-Assad if the United States took the lead militarily.

"With respect to Arab countries offering to bear costs and to assess, the answer is profoundly yes," Kerry said. "They have. That offer is on the table."

Asked by Rep. Ileana Ros-Lehtinen (a Jew, R-Fla.) about how much those countries would contribute, Kerry said they have offered to pay for all of a full invasion.

"In fact, some of them have said that if the United States is prepared to go do the whole thing the way we've done it previously in other places, they'll carry that cost," Kerry said.

"That's how dedicated they are at this. That's not in the cards, and nobody's talking about it, but they're talking in serious ways about getting this done.
(washingtonpost.com/blogs/post-politics-live/liveblog/the-houses-syria-hearing-live-updates/?id=e68f139f-e012-476c-876e-2467ba30e5e3)

And he, the Secretary of State of the USA, is OK with peddling this to the world, Congress, and last and least, the American people, that our US Armed Forces are now for lease to the highest bidder!

He is serious about the profound "offer on the table," and sees nothing at all wrong or absurd with foreign countries, the Saudi Arabs and other Gulf states, paying the US to send its own military to do Israel's and the Saudis' dirty work, when the vast majority of Americans are opposed to any "interventionist" act of war against Syria at all.

Saudi Arabia and Israel have been friendly to each other for years, even without formal diplomatic relationships, arranging things between each other via the backdoor in DC.

Just google "Bandar bin Israel," a nickname for Prince Bandar bin Sultan bin Abdul Aziz al-Saud, who is the name behind the Saudi funding of the overthrow of the Assad regime, the FSA, the foreign mercenaries, Muslim Brotherhood and al-Qaeda, and also wants Iran destroyed.

Sharmine Narwani writes that Bandar was "the US's longtime go-to man in Riyadh – whose 22-year reign as Saudi Arabia's ambassador to Washington provided him with excellent contacts throughout the Israeli political and military establishments.

"The former ambassador to Washington has the kind of relationships that go deep – no Saudi knows how to twist American arms better than he. But to push western allies in the desired direction, the Saudis were in need of an influential and opportunistic ally that was also passionately fixated on the same set of adversaries. That partner would be Israel.

Like Israel, Bandar has long been a vocal advocate of curtailing the regional influences

of Iran and Syria and forging a neocon-style "New Middle East" – sometimes to his detriment" [within the Saudi royal tribe].

<http://mideastshuffle.com/2013/08/31/bandar-ibn-israel/>

Paying for the US led war against Syria was doubtless negotiated when Kerry went to Saudia Arabia in June of this year to organize the push against Syria. If Kerry wasn't considering it a real offer, it wouldn't be "on the table," would it?

DC is Israel's bitch, indeed.

Syria is in the way of cheap gas/oil pipelines from Saudi Arabia and Qatar to Turkey.

The house of Saud and the Turkish (military) regime are all crypto Jews. Obama offered Al Assad billions of dollars to cooperate with the Jewish controlled world and to drop Iran/Russia as partners a few years ago. Al Assad refused.

More than a million people were murdered in Irak, and already 100,000 people were murdered in Syria, and I have no idea how many Afghans were murdered. If we don't make an end to the Jewish controlled oil/gas/coal industry by actively demanding alternative energy sources, then we dig our own graves. A big global change in energy technology is the ONLY way to end the power of Judaic tribe.

That is why the Zionists stole Tesla's 'free' energy technology, and that is why we see a huge amount of deliberate disinformation about alternative (free) energy technology on the internet.

That is why I dedicated my life to discovering the scientific background theory that explains cheap electric energy generator technology, discovered first by Nikola Tesla. My website: no.nl/tesla.

Dear Brother Nathanael,

Greetings from Greece. Does the Bureau of Statistics in the USA publish the number/percentage of family members of AIPAC members currently serving in the defense forces of the USA? It would be interesting to see how many are backseat drivers.

Also, I would like to know the USA defense force's costings for the proposed "crisis exercise/intervention" in Syria compared to the funds promised to help the people who suffered from Hurricane Katrina in New Orleans and Hurricane Sandy?

Correct me if I am wrong, the USA Congress could not vote to pass a bill to fund to help all the victims of natural disasters who could not help themselves, but its quite alright to vote for a Trillion dollar "crisis/intervention" because the printing press can not distinguish between treason and compassion.

How many shades of red is the "red line" in Syria? How green is green?

Kyrie Eleison!

I pray the truth comes quick and Archangel Saint Michael protect us from the cunning one.

Blessings,

WAR CRIMINALS.

JEW USA CRIMINAL MAFIA WAR Memo from Secretary of Defence 2007_03_02.

General Wesley Clark told us of this Memo.

The USA JEW Criminal Mafia had their WAR Plan all set out for the next 5 YEARS. The JEW USA COMMUNIST CRIMINAL MAFIA was going to use the USA Troops to attack 7 Countries.

YES, they had already planned to go to WAR attacking 7 Countries in 5 Years — Iraq, Syria, Lebanon, Libya, Somalia, Sudan, and then Iran.

The JEW USA CRIMINAL MAFIA planned this before 2007, so why are the American People so confused as to what is happening?

The “American People” have gone from the most LOVED in the World to the most HATED in the World as a direct result of the JEW Communist New World Order WAR MONGERING JEWS.

There is only ONE group of TERRORISTS in the World today and they are the JEW Communist New World Order WAR MONGERING JEWS.

Brother Nathanael,

Thanks for your insightful videos and articles.

My wife and I escaped from Australia because we discovered accidentally some secrets of state following a family search.

That country has been heavily infiltrated by Jews. A lot of them were accepted as refugees when they were kicked out of Egypt. There are now about 100,000 of them and most of them are SAYAN or collaborators of Mossad. In effect they are fifth columnist.

We knew some SAYANIM that were working in High Schools for ASIO (the Australian Secret Services) . The place is totally infiltrated now. Universities, the national Radio and TV broadcasters, Parliament, the newspapers are controlled by a Jew (Murdoch) even the secret services are controlled, and so on.

I know that over the years those people have infiltrated prominent families by marriage, bought and adopted children. People don't seem to understand the modus operandi of that tribe. They have permanent plans of infiltration and that's why they have been kicked out of 109 countries in the last 2400 years.

I wrote an E- book: "Escape from Australia: a gangstalking primer." It is about our experience in OZ. It can be downloaded freely after Log in at <http://www.themistsofavalon.net/forum>

Greetings and salutations Brother Nathanael,

I would like to comment, that it is a pity there aren't enough cyber spots or news outlets who are not reporting the truth about the sins of the Zionist Jews' corrupt power-broking on the world scene. You are doing exceptional work in speaking the truth and how it really is. My heartfelt congratulations to you.

As you know, Barack Obama is a loyal servant of his Zionist masters who needs to reassess what he has done in the recent past (in Libya, which is now a mess, as it now ruled by differing warring factions and militias).

And he needs to reassess what his predecessors have not achieved politically in their previous war domains in Iraq and Afghanistan.

President Obama seriously needs to reassess his plans on Syria.

It is inevitable, that Obama and his allies will 'fatalistically blitz' Syria into the stone age.

But, 'Assad (an outspoken critic of the United States, Israel, Saudi Arabia, and Turkey) will be their unexpected 'NEMESIS' in the coming times ahead.

America went ballistic with their rage on to the Arab & Muslim World after 9/11 struck them hard.

Bashar Al-'Assad was born on 9/11 in 1965! And he is literally worshipped as the expected 'Al Mahdi' by his own Alawite people and even by other minor Muslim sects in Syria!

Brother Nathanael,

Thank you for +BN Birthday piece, another great informative article with plenty of sources and for being very dedicated to exposing the Zionist /Jew influence if not domination in the affairs of Americans and Christians in the world.

I admire your courage to be outspoken about exposing the Zionists agenda, history and especial names given, but without being critical, I believe emphasizing that we believe Jews and Zionists have a right to lobby elected officials, to communicate their political ideology, and practice their religion in the United States of America.

BUT we believe in the U.S. Constitution allows these liberties to be for all Americans not giving preference to the Israeli Lobby or Jewish interests whom ironically want to subvert our Constitution.

I do not blame living Jews for killing Jesus, but they must be held responsible for the prosecution and intimidation of Christians under Jewish control/influence.

The Syria Crisis is highlighting this idea of Israeli Lobby vs the American people. In my own website Liberty Happiness my tag line is:

"Your Happiness Depends on the Liberty that "We The People" are Afforded!" Maybe I should change "We The People" to "The People Of Israel" I love Jews and Israel as much as any other people or nations in the world. {Oh ain't I sweet!}.

It is becoming apparent that they do not love us or other non Jews in the world! So, it is not that I hate Jews I just want to restore the Constitution back to what it was intended to be and who it is to protect "We The People."

I think the Israeli Lobby is a major obstacle for this restoration. I would advise the Israeli Lobby to back off the Syria issue it is only making more of us empathic toward the grievances and issue of their enemies.

Thank you, Brother Nathanael, for the information.

Hi folks!

At last the Armageddon is upon us. The destruction of Israel/Babylon sure is coming.

We should rejoice. Our long wait is over. Our patience was tested to the brim. God has finally answered our prayers.

But hang on, our personal safety is not guaranteed. There's the Samson Option to be considered.

Thanks to assistance/cooperation from these countries (USA & France for nuclear bombs, Germany for the submarines & India for ballistic missiles) the Samson Option will hit close to home for many people.

I reckon once Israel is defeated, they would exercise the Samson Option. Western European cities would all be hit with severe devastation. Millions would die. My advice to you is to make an effort to move out of these cities.

Then if they've some change to spare, the eastern US would be hit. Perhaps less severe but lots parking spaces would be created.

The Baptduhs too would taste the Armageddon.

Again, my prediction is millions would die.

I trust that you'll make your own judgement & do what is right.

Dear Hoff,

Here is more on what Saudi Prince “Bandar bin Israel” has been up to, now the direct go between for the Saudis and the Israeli Jews.

I wrote earlier that Saudi Arabia and Israel have been friendly to each other for years, even without formal diplomatic relationships, arranging things between each other via the backdoor in DC.

Actually, I didn’t mention that steps were now being taken to formalize diplomatic relations and establish a mutual defense pact between Tel Aviv, Riyadh, and Abu Dhabi.
~ ~ ~

From Times of Israel (May 2013): Israel may join defense pact with Saudi Arabia, UAE

Jordan and Turkey to also play role in US-brokered plan to contain, rather than thwart, Iran, London’s Sunday Times reports

Israel is working on joining an anti-Iran defense alliance with a number of moderate Arab states that would involve sharing Jerusalem’s newly developed anti-missile technologies, a British newspaper reported Sunday.

The plan would see Israel join with [now openly Zionist Muslim] Turkey, Jordan, Saudi Arabia and the United Arab Emirates, to create a Middle Eastern “moderate crescent,” [that’s a joke — Saudi Arabia is one of the most repressive, intolerant regimes in the world who could care less about human rights] according to the Sunday Times [as opposed to the sectarian semi-myth of the “Shia Crescent,” a term coined by the Sunni king of Jordan in 2004] which cited an unnamed Israeli official.

Israel does not currently maintain formal ties with Riyadh or Abu Dhabi, and relations with Ankara have been strained since 2009.

According to the report, Israel would gain access to radar stations in Saudi Arabia and the UAE and in exchange share its own early warning radar information and anti-ballistic missile defense systems, though it’s not clear in what form. The report details that Jordan would be protected by Israel’s Arrow long-range anti-missile batteries.

The so-called 4+1 plan is being brokered by Washington, and would mark a sharp shift in stated policy for the White House, which has insisted the US is not interested in containing Iran but rather stopping it before it reaches nuclear weapon capability.
<http://www.timesofisrael.com/israel-reportedly-may-join-defense-pact-with-saudi-arabia-uae/>

Last October, Netanyahu praised the extremely friendly ties with Saudi Arabia

...

The Israeli premier added that Tel Aviv and Riyadh have common economic and political interests in the Middle East.

In May, a report by Tel Aviv University said Saudi Arabia was Israel’s last hope and defense line, describing the Saudis as Tel Aviv’s last chance to protect its political interests in the Arab world.

The report said most of Israel’s allies in the region have collapsed and cannot play a significant role in the Arab world, adding that Saudi Arabia is the only country that stands against the Islamic Republic of Iran and thus it is Tel Aviv’s last line of defense against Tehran.

The report noted that the Al Saud family is very important to Israel because Saudi Arabia is very actively working in countries such as Yemen, Egypt, Iraq, and Lebanon to reduce [Shiite] Iran’s influence in those countries.

<http://www.presstv.com/detail/2012/10/27/269063/israeli-pm-hails-bilateral-ties-with-ksa/>

Which, without a doubt, also means the targeting of the persecuted Shiite minorities in those states, particularly in Saudi Arabia, whose traditional home is the same region of the Saudi Eastern Province that produces the bulk of Saudi oil.

Around two million Shia Muslims live in Saudi Arabia, most in Eastern Province; the Shia community is dissatisfied with the discriminatory behavior of the ruling Sunni authorities of the Saudi monarchy. The Arabian Shiites are not allowed to build mosques, and are reportedly 1/2 of the oil workers in Eastern Province.

There have been numerous demonstrations in Saudi Arabia’s Eastern Province since February 2011, with protestors calling for political reform. Activists say there are over 40,000 political prisoners in Saudi Arabia, many of them being held without trial or charges.

We don’t hear much about that from the Jew-owned White House, do we?

One of the main objects of Ww1 and Ww2 was to gain control of the MidEast oil supplies.

Little do most Americans know, but according to the published facts in the EXXON publication "The Lamp," we Americans get only 14% of our oil from the ME. Most of our supply comes from Mexico and Canada.

In reality, We The People don't need the Middle East for SQUAT. And, with the recent discovery of up to 400 BILLION barrels of shale oil under the OFFICER BASIN in South Australia, the importance of ME oil is even less to us. Certainly not risking a nuclear WW3 over.

To put the Australian discovery in perspective, Saudi Arabia has only 263 billion barrels of oil. And the Australians are our long time friends and allies. So why doesn't the MSM in the USA tell us about this Hugh Australian discovery?

Could it be because the Israeli Firsters want to brainwash us into thinking that Israel is oh so important in keeping the oil spigot turned on?

And what about the hydrogen-on-demand technology that Stanley Meyer developed, had patents for, and was ready to put into mass production before he stumbled out of his local restaurant clutching his throat and muttering "they poisoned me."

And what about the Motionless Electromagnetic Generator (MEG) that Bearden et al had patents for and was supposed to go into mass production in 2003. About the size of a toaster oven, it could power your house with leftover juice you could sell to the grid.

If you are not familiar with any of this info, it is all easily researched on the net. Just Google it. BTW, one very small oil company named LINC ENERGY has been quietly buying up acreage in the Officer basin, from what I have read and heard. And they aren't the only one.

Saudi Arabia is "moderate?" Ha ha ha.

SA is a dynastic tyranny, and the state religion is the ultra-fundamentalist, neo-Zionist, Wahabi/Salafist school of Sunni Islam which strictly enforces the medieval form of Sharia Law.

Qatar, now the Saudis, and the UAE are bankrolling the foreign Wahabi/Salafist al-Qaeda mercenary terrorists in Syria.

The Saudis routinely behead people and stone people to death in public executions. Christianity isn't tolerated; the Saudis turn an official blind eye, however, to Christian guest workers in Saudi Arabia, and at the same time keeps them on a tight leash.

Proselytization and conversion to Christianity carries the death penalty, despite the fact that the earliest Martyrs mentioned in the Quran as "believers" are the thousands of Arab Christians of Najran, who were massacred and burned to death in a large ditch by the Yemenite Jew and Himyarite king, Yusuf As'ar Dhu Nuwas (sometimes called Masruq the Crucifier in contemporary Christian acts) in AD 524, about a century prior to the advent of Islam.

Najran was an oasis, with a large Christian population and the seat of a Bishopric. It sheltered an oligarchy of Christian merchants which were as rich as any in Edessa or Alexandria.

It had been an important stop on the spice route from Hadhramaut.

Najran had been an important center of Christianity in South Arabia and the focus of international intrigues in which economics, politics, and religion were all entangled.

Dhu Nuwas hoped to create, in the rich lands of Southern Arabia, a "Davidic" kingship

which was independent of the Christian powers, and hoped to extinguish Christianity in Arabia. Some sources, especially modern Jewish, try to paint Dhu Nuwas as a convert to Judaism.

However, to claim a Davidic kingship, he would have to have been an actual descendent of King David, of which there were many in the province of Babylonia, and by tradition the Exilarch was a descendent of David, some of whom had no doubt migrated into southern Arabia.

According to one source, Dhu Nuwas was the great grandson of the Tobiad King of Himyar, Abu-Kariba Assad Tubba' (with his own brand of Sadducee Judaism brought from Palmyra).

Abu-Kariba's grandson Shamir al-Janah, who had been sent to China, married the daughter of the Jewish Exilarch Huna V (r 465-470) and from this union Dhu Nuwas was born.

Upon the failure of his uncle Mar Zutra II to create a Jewish state in Persia, Dhu Nuwas returned to Arabia, killed the Lakhmid usurper and sacked the Byzantine Arab Christian colony of Najran, and attempted to rally all Arabia to his cause.

He was the first to adopt Persian, Rabbinic Jewish customs of Persian Babylonia and introduced them to Arabia.

By adopting the more conventional version of Pharisaic Rabbinic Judaism, he hoped to claim the rights and honors of a Tobiad ruler of the Trans-Jordan, from the "Nile to the Euphrates." He styled himself "The King of all the [Twelve] Tribes."

He also considered Najran to be a Byzantine base that controlled the Red Sea trade route and did harm to the economic situation of Himyar.

When Dhu Nuwas invaded, he called upon its people to abandon Christianity and embrace Judaism. When they refused, he had them thrown into burning ditches alive. Estimates of the death toll from this event range up to 20,000 in some sources.

Some sources say that Dus Dhu Tha'laban from the Saba tribe was the only man able to escape the massacre of Najran, who fled to Constantinople to seek help and promptly reported everything. Other sources have survivors fleeing to the Axumite kingdom in Ethiopia.

Other sources say that the Jew Dhu Nuwas was so proud of what he had done that he sent letters to the Lakhmids and Persians about it, urging them to go massacre some Christians of their own.

The Lakhmids were busy trying to make peace with Byzantium, so they handed over the letter to the imperial ambassadors to send back to their emperor, Justin I.

This brought about the wrath of emperor of Byzantium, Justin I who, as protector of Christianity encouraged his ally, the Abyssinian king Ella-Asbeha of Aksum, to invade the country, kill Dhu-Nuwas, and annex Himyar in 525.

The Banu Horith Martyrs of Najran, and their leader al-Harith (aka Arethes, Aretas), the men, women and children who steadfastly held to their faith, even jumping alive into the burning ditch, are remembered in the Christian calendars and are even memorialized in the Qur'an where the persecutions are condemned and the steadfast believers are praised.

In Najran, they set up a great ka'aba (that's simply Arabic for shrine; it is not an exclusive Muslim word, and there used to be lots of ka'aba shrines besides the one in Mecca) in memory of the glorious martyrs.

The Ghassanids and other Christian groups took the names of the martyr saints for baptismal names.

The story of the bravery of the Banu Horith is told in the Koran, in the short Surah "Al-Buruj" (the Constellations, or the Houses of the Stars), in the story of the As Hab al-Ukhlood (makers of the ditch, or people of the ditch).

KathJuliane

September 6, 2013 @ 1:13 pm

Poking around on the internet, it seems that a lot of Muslims (as well as many Westerners) are unaware that the martyrs of Najran were Christian martyrs from someplace historical on the map, calling them "unknown people from an unknown place."

The local Arabian people of Najran know of the Christian Martyrs, despite the Saudi effort to erase their identity and place in the historical culture of the Arabian Peninsula, rather in common with Yusuf As'ar Dhu Nuwas (literally Lord Sidelocks or Lord Peiyot).

A 2010 article from the NYTimes, "Muslim Sect Sees Struggle Through Christian Lens" writes:

"Among the ruins on the edge of this ancient oasis city are deep trenches littered with bones.

That, local people say, is all that remains of one of the great atrocities of antiquity, when thousands of Christians were herded into pits here and burned to death by a Jewish tyrant after they refused to renounce their faith.

Residents of Najran say that the ruins on the edge of their city include deep trenches littered with the bones of thousands of Christians who were burned to death by a Jewish tyrant after they refused to renounce their faith.

But it has become central to the identity of the people now living here, who mostly belong to the minority Ismaili sect of Islam.

The Ismailis, widely reviled as heretics by Sunni Muslims both here and abroad, see the oppressed Christians of ancient Najran as their literal and figurative ancestors in a continuing struggle for recognition by the Saudi state.

"This story means so much to us," said Ali al-Hattab, a 31-year-old hospital worker and graduate student. "Our life and our struggle today comes from those martyrs who gave their lives for their beliefs."

Part of the site where the Christians are said to have been killed — including charred remnants from the fires — was buried and paved over years ago.

In a small museum next to the ruins that is dedicated to the city's ancient history, there is only one brief reference to the massacre.

In part, this is a reflection of the deep hostility among Saudi conservatives toward any artifacts that predate the birth of Islam in the seventh century.

Najran, a fertile valley on Saudi Arabia's southern border with Yemen, was the last territory to be conquered by King Abdulaziz al-Saud, the country's founder.

He promised to respect the faith and customs of Najran — which had been an independent sheikdom — after bringing it into the kingdom in 1933.

But Ismailis say his successors failed to follow through, denying them government jobs and pressuring them to convert to Wahhabism, the hard-line school of Sunni Islam that is dominant in Saudi Arabia.

A drive down Najran's main street conveys some of this: it is lined with government-built Sunni mosques, even though Ismailis are the majority of the town's 500,000 people (the Saudi census does not include nor recognize sects, so it is impossible to know the true proportions).

The government has naturalized Sunnis from Yemen in an effort to alter the sectarian balance. Saudi officials have often publicly maligned Ismailis as infidels. The Shiites of eastern Saudi Arabia have long faced similar discrimination, but because they are more numerous, their situation is better known.

<http://www.nytimes.com/2010/10/21/world/middleeast/21saudi.html>

And this is the hidden face of the "moderate" Sunni Saudi theocratic tribal monarchy which is becoming Israhell's new best friend.

At the same time, the "Evil Assad(TM)" and his secular Syrian Arab government that protects Syria's minorities, is targeted now by the US for destruction, along with the so-called "Shia Crescent" which the new Israeli-Saudi Arab defacto alliance has declared war upon. The Alawite tribes are considered a Shiite branch.

"Shia Crescent" was coined in 2004 by King Abdullah II of Jordan at a time when Iran was accused of interfering in Iraq in the run-up to the January 2005 parliamentary elections.

This was in the context of a threatened, later realized boycott of the elections by Sunnis in Iraq, which resulted in the Shia victory.

The suggestion was that the common religion gives good potential for cooperation between Iran, Iraq, Allawite-dominated Syria and the politically powerful Shia militia Hezbollah in Lebanon; as well, the suggestion was that these others would be proxies for Iran in a regional power play.

The term has come to encompass other Shia areas of the Middle East. The nations where Shia Muslims form a dominant majority are Iran and Iraq. Shias also represent a large majority in Azerbaijan, however it is constitutionally a secular state. Those who are actual practicing adherents are much lower, which has led to them generally being excluded from the crescent.

Shia are also the majority of citizens in Bahrain, however the government is largely

Sunni.

Large minorities of Shia also exist in Lebanon, Turkey, Yemen, Afghanistan, Pakistan, Kuwait, Saudi Arabia, India and the UAE. Excepting Lebanon, where the weak central government structure of Lebanon has allowed Hezbollah to become involved in the Syrian civil war, these are not usually described as part of the Shia Crescent.

Syria and Israel are still in a technical state of war.

The relatively sudden "containment of Iran" idea blossoming in Israel's fore-mind I believe has less to do with the buildup of any alleged nuclear weapons in Iran, and more with Israel heating up and attempting to "win" the war with Syria by depriving her of her chief allies, Iran and Hezbollah of Lebanon.

It also looks most of the Sunni-dominated Muslim countries are coming out of the Zionist Muslim closet, some secretly on informal good terms with Israhell for years.

If a regional "containment" alliance is formed up to block Iran as a central component to the semi-mythical Shia Crescent, that means these Zionist Muslim countries will declare open season on their own population of Shiites, which will be glossed over and propagandized as "sectarian warfare."

"There is no doubt that President Erdogan is disliked by many Turks, and that most of the demonstrators are sincere, pissed-off people. But these types of sudden 'uprisings' typically need a spark - an organized hard core of provocateurs.

"The anti Erdogan passion (the fuel) is real, as it was in Egyptbut the accelerating fluid, and the match, appear to have been provided by outside forces, working inside of Turkey."

Greetings in our + Triune God!

Happy birthday to you, Brother Nathanael.

Let us pray for our Syrian brethren in Christ. It makes me sick how Assad, who is protecting the Christian minority in Syria, is being demonized.

Also sad is how many Iraqi Christians fled to Syria after we screwed up Iraq. Where will they go now?

I called my two Senators and my Rep yesterday, but I have a feeling it would have been about as productive to talk to this computer screen. I told them that I don't want as much as an American B-B gun in Syria.

Blessings to all here.

In Christ,

Joe

Only Russia can push USA to war, or USA push Russia into war.

Israel has retarded politicians, but this is Christian fascism conspiracy to use Mohamedans to make holocaust number two.

Since Western countries helped Israel to happen they thought about it...

Happy Birthday, Brother Nathanael, and may the Blessings of our Lord, Jesus Christ, be with you at all times.

There are not too many individuals who possess the courage, honesty, and integrity that you do. Your latest article is spot on, too.

Barack Obama is a fraud; he cares nothing about the American people, only about his masters in Tel Aviv. He's hell-bent on bombing Syria, even though 90% of the public is strongly opposed, and the House is 3-1 against as well.

The Senate Foreign Relations Committee vote was 10-7 for aggression; but, those who voted YES are nothing but a bunch of reptilians, anyway. They'll be gone.

My best wishes go with you, Brother. Just keep hanging in there; my prayers go with you, too.

God Bless,

Eileen

Holy Christ, save US all.

Israhell is committing suicide, and there is no way in Hell they are going to get the Litani River or anything else for that matter. As stated many times before, and look at a map if you dispute this, only one or two megaton-sized hydrogen warheads will instantly obliterate this entire country of Self Chosen Vampires.

Russia now has numerous warships outside of Syria, and probably some nuclear armed submarines as well, and has openly threatened to generate serious payback if Syria is attacked.

Is there some magical power that will somehow save Israhell when multiple warhead ICBMs rain down upon them? The Syrians showed them that their Sampson Option, German-built Dolphin submarines are useless crap when a Russian made sonar and torpedo are being deployed.

Another already mentioned fact is after the first nuclear barrage, only bombers will be able to properly deliver nukes, since the Earth's atmosphere will be highly ionized, thereby disrupting the guidance systems of long and even mid range missiles.

The Self Chosen Vampires mostly congregate in large cities, and they will be the principle targets, so not only is Israhell going to be obliterated, and the Sampson Option become null and void, but most all of the Self Chosen Vampires on Earth will be incinerated.

Am personally rooting for the Puppet Messiah to go for it next week, as he chickened out last week.

History Commons has a remarkable timeline of the major documents marking the progress and development of Israel's foreign policy of supporting Islamic Militancy and its transformation into US foreign policy, based Oded Yinon's A Strategy for Israel in the Nineteen Eighties" which +BN linked to.

The timeline begins with:

The winter issue of Kivunim, a "A Journal for Judaism and Zionism," publishes "A Strategy for Israel in the Nineteen Eighties" by Oded Yinon.

The paper, published in Hebrew, rejects the idea that Israel should carry through with the Camp David accords and seek peace.

Instead, Yinon suggests that the Arab States should be destroyed from within by exploiting their internal religious and ethnic tensions: "Lebanon's total dissolution into five provinces serves as a precedent for the entire Arab world including Egypt, Syria, Iraq, and the Arabian peninsula and is already following that track.

"The dissolution of Syria and Iraq later on into ethnically or religiously unique areas such as in Lebanon, is Israel's primary target on the Eastern front in the long run, while the dissolution of the military power of those states serves as the primary short term target.

Syria will fall apart, in accordance with its ethnic and religious structure, into several states such as in present day Lebanon." [KIVUNIM, 2/1982]

http://www.historycommons.org/entity.jsp?entity=oded_yinon

The core "Axis of Resistance" to the Zionist regime has been in existence since 1982 emerging out of the crucible of the protracted Israel-Lebanon conflict, and Iran, just three years after its own revolution against Western imperial powers and the puppet monarchy of the Peacock Throne.

It includes the Syria; the semi-state of Lebanese Hezbollah, which was forged as a resistance party and fighting wing during the Zionist occupation of the "South Lebanon Security Belt;" and Iran backing Hezbollah, which formally signed a mutual defense treaty with Syria in 2006.

The Axis of Resistance did include Palestine's Sunni Hamas until last November or December or so, when Sunni Hamas allied with the mostly Sunni FSA and the mercenary, cannibal, mostly Sunni-Wahbist/Salafi/Takfiri terrorist thugs along sectarian lines.

State orders diplomats and others out of Lebanon.

The State Department on Friday ordered nonessential U.S. diplomats to leave Lebanon due to security concerns as the Obama administration and Congress debate military strikes on neighboring Syria.

In a new travel warning for Lebanon, the department said it had instructed nonessential staffers to leave Beirut and urged private American citizens to depart Lebanon.

The United States [in the person of the very bizarre, Dublin-born, fanatical red-headed Samantha Power, aka Mrs. Cass Sunstein, throwing up her hands in dismay and frustration at not getting her way with the adults present at the UN Security Council] declared on Thursday that it has given up trying to work with the U.N. Security Council on Syria, accusing Russia of holding the council hostage and allowing Moscow's allies in Syria to deploy poison gas against innocent children.

This childish, diplomatic tantrum thrown on the international stage by this Irish naturalized American wife of the Jew Cass Sunstein, is particularly embarrassing to me and my patriotic Colonial ancestors and maternal Puritan family roots going back 10+ generations to the very first ships to arrive from England.

Power, who is a naturalized citizen, is a former Balkan war correspondent and activist journalist who helped perpetuate the Clinton White House lies, exaggerations, and deceptions against Serbia about Bosnia and Srebrenica "genocides," and is founding

Force pilots are **preparing** suicide *kamikaze* bomber units to attack the US Navy ships stationed in the eastern Mediterranean poised to strike the Arab country.

But regardless of the repercussions for American lives and interests, the Jewish Lobby that pulls the strings of its puppets on Capitol Hill *will* have its way: A US *War on Syria* leading to WW3 that's "good for the Jews" but bad for everyone else looks like a *done deal*.

AIPAC's Michael Kassen leads the War Cry with, "America must stand strong against barbarism," followed by Abe Foxman's Holofoax spin, "Innocents being gassed invokes that special historical memory and sensitivity."

The Conference of Presidents of Major American Jewish Organizations echoes the cry for carnage with, "Those with weapons of mass destruction must see that there is accountability." (Where have we heard this before?)

Andrew Tabler of the Jewish 'think tank' WINEP makes it clear where Jewry's interests really lie: "Assad's alliance with Israel's arch-enemy Iran makes the Syria crisis a threat to Israel." [View Entire Story Here](#), [Here](#) & [Here](#).

THE JEWISH LOBBY'S PUSH to attack Syria is to create the precedent for a much larger attack on Iran. AIPAC **admits** as much in its own carefully worded statement of support for the Syria attack.

Both Hafez and Bashar Assad scrupulously **kept the peace** with Israel since 1973 but AIPAC owns this issue, it owns DC. This is *their* war. And *their* war they will get...even if Gentile US soldiers have to die.

American Jewry *will* get authorization for war against Syria...but, when the time comes, the Jew-enabled Syria push will look like nothing. Syria is just a tactic for AIPAC's political strategy. It's **#1 goal**, no less from the vantage point of Capitol Hill, is war with Iran.

And, of course, the **Jew-bought Congress** will all fall into line or their campaign funds and Jewish-owned main-stream-media support will hit the trash can in the next election.

Yet, to this day, 'evidence' that Assad used gas on his 'own people' (even if he did it was on JewSA-sponsored imported terrorists) is **based on lies** from the chief War Criminal in the White House and remains both **flimsy** and **unconvincing**...where the meat of the 'intelligence' **comes from** the *deceptive and war-waging (in their own words)* Israeli Mossad.

Citing a congressional debate where Kerry was asked about al Qaeda, Putin **remarked** that even though Kerry was well aware that the al Qaeda-linked *Jabhat al-Nusra* group was fighting with the 'rebels,' he denied that it was operating in Syria.

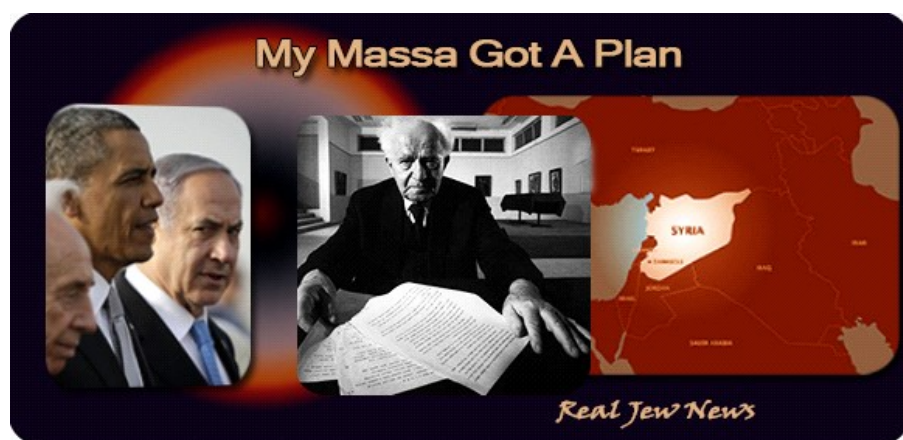

When Kerry was asked on September 3rd while **testifying before the Senate Foreign Relations Committee** if the Syrian opposition was infiltrated by al Qaeda, Kerry responded that it was "basically incorrect" and that the opposition had "increasingly become more defined by its moderation."

Putin's **response?** "This was very unpleasant and surprising for me. We talk to the Americans and assume they are decent people, but he's lying and he knows he's lying. This is sad."

For sure, as Putin knows the truth about the Syria crisis, many of the Free Syrian Army 'rebels' have **defected** to the al-Nusra Front terrorists who are doing the **main** fighting.

And it's the Syrian Christians, (who have already suffered at the **hands** of JewSA's funded terrorists), who will be **laid out for the slaughter** if the Jews get their '**regime change**'... a stipulation just **added** to the Senate Resolution on Syria.

But do Jews care about Christians? They crucified Christ and they will not scruple to crucify Christians in Syria so long as they get their 'Greater Israel' agenda accomplished.

JEWRY'S MASTER PLAN

A GEOPOLITICAL STRUGGLE is now in the making *vis-a-vis* the **Jewish lie** that's pushing America into WW3 by first attacking Syria opening the door for a coordinated US-Israeli strike into Lebanon and then on to Iran.

It's a struggle for **oil and hegemony** NOT a struggle for democracy. And the Jews will use the US military until the empire dies and Pax Judaica rises in its stead.

For besides executing the "**Oded Yinon Master Plan**" to fragment Syria into a mosaic of ethnic and sectarian groupings, Jewry has its greedy eyes on water-rich Lebanon and the oil-rich Golan Heights.

When the US strikes Syria, opportunistic Israel will use an **orchestrated** 'Hezbollah attack on Israel' as a pretext to **expand its territory** up to the **Litani River** as it did in 2006, **grabbing** Lebanon's **water resources** and adding military strength to the US efforts to smash Assad.

With that river in mind, it was in the 1930s that Ben-Gurion **conceived of boundaries** for the fledgling state of Israel extending from the Litani River in Lebanon across the Syrian Desert through Jordan and south into the Sinai Peninsula.

With Syria **incapacitated** by a US strike **on its infrastructure**, (as in Libya), Tel Aviv will tighten its grip on the Syrian Golan Heights which Israel has **occupied** for decades...voila!...Enter *International Jewry*.

The *Genie Energy Company*, whose **principals include** the Jews: Jacob Rothschild, Rupert Murdoch, Howard Jonas, Michael Steinhardt and Gentile Zionist shill, Dick Cheney, was recently **awarded** via its Israeli subsidiary, *Genie Israel Oil and Gas*, **exploration rights** of the oil and gas reserves in the Golan Heights.

And the US Military will do Jewry's dirty work for them. Jews don't send their own to die in their wars.

While McCain **plays poker** with the lives of US soldiers...it's the Jews who hold the cards.

Congress will fold and the US military will dive headlong into WW3 whose carnage will be 'good for the Jews' but bad for everyone else.

Dear Real Jew News Family -

The JEWS are not only OUR "misfortune" but are Asma's & Bashar's (two people BETTER than ALL Jews put together) MISFORTUNE.

The WICKED Jew-Owned Press (no, NOT "corporations" OR "presstitutes" But JEWS) paint the Assad's as the new Hitlers.

But Dr Assad and his lovely wife Asma are REFINED people and NOT guttural, Christ-CRUCIFIERS like JEWS.

Dr Assad is PROTECTING Christians in Syria BUT JewSA is FUNDING the Al-Quada TERRORISTS in Syria who wish to SLAUGHTER Christ's people.

This JEW-BOUGHT country is UNDER Christ's HOLY JUDGEMENT. You wait and see if JewSA marches to Jewry's drumbeat then ALL HELL *will* break loose.

This Article is my Birthday Present to MYSELF.

I wanted to EXPOSE the REAL CRIMINALS-JEWS!-Who Are Leading JewSA Into Yet ANOTHER War...THIS time heading us into WW3.

"Happy Birthday" dear Brother Nathanael! YOU are the ONLY one WITH THE GUTS to NAME the Jew NAMES and SHOW the Jew Faces.

Bravo!

I Wish Myself MANY YEARS to Continue EXPOSING Christ-Crucifying JEWS!

Dear Real Jew News Family,

Please bear with me for a bit with regard to new Articles & Videos as I am engaged in two very time-consuming Projects:

1. I am working on my VERY OWN Video Platform 24/7 whereby I will have COMPLETE independence and won't have to be looking over my shoulder constantly on-guard against JEW censorship.

There are now 3 main Video Platforms on the net: YouTube, Vimeo, and LiveLeak.

Soon I will have my OWN Video Platform and Lord willing it will eventually expand into a 4th main Video Platform that other Truth-oriented publicists could use.

2. Due to YouTube taking down my Video, "The Real IRS Scandal," charging me with "Hate Speech," I am now working with some of my lawyers (very draining AND expensive) on an Appeal. Please pray that I get YouTube's arbitrary decision reversed.

"Hate Speech" terminology is a JEW INVENTION aimed at destroying our Gentile Founding Father's FIRST AMENDMENT.

The ADL with their BILLIONS of criminal dollars have foisted this freedom-subverting "hate speech" *legalese* into our judicial system to PREVENT exposure of Jewish criminality.

I WILL not bow before WICKED JEWS, CHRIST-CRUCIFIERS and am working around the clock preparing an APPEAL with my lawyers to contest YouTube's discrimination against me. (The book of Proverbs says: "The righteous bowing before the wicked is like a troubled spring and a broken down wall.")

Happy Birthday, Brother Nathanael! May you have many blessings to come.

From the looks of it, (this my opinion) an airstrike on Syria is very unlikely. There is just too much at stake, both for Jews and their shills.

You've probably noticed that Rush Limbaugh, Michael Savage and other neo-cons like them think it's a BAD idea. Rush even goes as far as saying that the chemical weapons is a false-flag operation.

I also think there some internal fighting within the Jewish ranks. They run the risk of losing their Zionist project know as Israel to the ground. Plus, Obama is not that stupid (again my opinion) to engage in a war with Syria along with Russia, China and Iran at the same time.

Jews on the left and right are hard pressed to come to an agreement on how go about their world hegemony. Any miscalculation could lead to a mass awakening of the 'Gentile' world.

I could only pray that cooler heads can prevail. However, if Congress decides not to give it a vote, who's to say that either Obama would still disobey the rule of law, or Jewish interests pulling a fast one to inevitably become involved in Syria's or Iran's affairs even more overtly. Only time can tell.

Thank you, Brother Nathanael for all of your efforts.

I wonder if the reason that Syria is stated to be guilty for the sarin gas attack is a word mind game lie as follows:

(1) Sarin gas is stated to be proven to be guilty by science for the mass killing.

(2) Syrian is equated to be the same as Sarin, as the two words are almost identical in sound in English.

(3) Therefore Syria is guilty for the sarin gas mass killing, because the word Syrian is equated to be the same (or almost the same) as the word Sarin.

This is my guess as to what is going on.

I thought Hezbollah was a pro-Palestinian construct?

I am getting conflicting reports and don't know who the bad guys are. Or, is Hezbollah infiltrated by the Mossad as they have done to other groups.

This is making me sick and I have been in prayer all week. Let us all pray for peace in Syria, Palestine, and the rest of the world.

Thank you Brother, another accurate assessment of the Jews...

'Big picture' goals. This time however they will have bitten off more than they bargained for.

With Russia and Iran both having more advanced technology than the warmongering USA, the conflict will be relatively short and disastrous for the aggressors.

Syrian, Russia and Iran have continually stated they have the ability to respond vigorously and they are not kidding.

A long overdue karmic payback for all the blood spilled over decades.

After this conflict we will see some major adjustments to our world as we know it. I suggest be at peace with the process.

Blessings,

Grow in truth that as the sees and the mind forms this process is accessed by the Supreme source of all 24/7.

Justice is served and never fooled. All is witnessed, processed simultaneously from a sea of perceptors. The Supreme is cultivating special witnesses in the height and depth of uniqueness as the light consciousness beings are guided from the edge of the experiment to their home of light consciousness.

Yes, it was a GREAT 'Birthday' for me today.

I spent the ENTIRE day WORKING on this Jew-Exposing piece.

Nothing gives me greater pleasure than doing what everyone else FEARS to do:

Naming the JEW Names & Showing the JEW Faces who are DESTROYING our once stable nation.

Wake up Americans! Jews have STOLEN your nation, your voice, AND your souls.

Happy Birthday dear Brother Nathanael!

God bless you, dear +BN, and may God grant you many, many more years.

I hope I'm still around when you reach 130, and that you are still calling out the Jews, naming names, and showing their wicked faces.

This a very powerful Article on the geo-political basics concerning Syria, Lebanon, and of course, Israhell's aspirations for "Greater Israel" by progressively stealing other's peoples' lands inch by inch by way of war, terrorism, deception, preying on peoples' weaknesses and resorting to extortion and bribery.

My Massa Got A Plan — a hilarious but true caption. Obombya came up through the corrupt Chicagoland Political Machine, which is nothing but Jew-run and Jew-owned, therefore he is beholding to them.

If Black people knew what Jews in general think of them behind their backs and in the synagogue, they would know that most Jews are racists and consider Obombya nothing but the Jews' slave "schwartz in the White House" owned lox, socks and bagels by Israhell, and hold him in considerable contempt.

Excellent insight into the Zionist regime's long standing aspirations to grab Lebanon's territory up to the Litani. I'd forgotten about Oded Yinon's Master Plan, written in 1982, I think, which called for this very thing.

And it would certainly make sense as a major objective when the Zionist regime invaded Lebanon in 2006, only to get beaten like the dogs they are by the Hezbollah fighting wing.

I looked up who voted how in committee regarding the AUMF.

Kerry: Arab Countries Offered To Pay For Invasion

Secretary of State John Kerry said at Wednesday's hearing that Arab counties have offered to pay for the entirety of unseating President Bashar al-Assad if the United States took the lead militarily.

"With respect to Arab countries offering to bear costs and to assess, the answer is profoundly yes," Kerry said. "They have. That offer is on the table."

Asked by Rep. Ileana Ros-Lehtinen (a Jew, R-Fla.) about how much those countries would contribute, Kerry said they have offered to pay for all of a full invasion.

"In fact, some of them have said that if the United States is prepared to go do the whole thing the way we've done it previously in other places, they'll carry that cost," Kerry said.

"That's how dedicated they are at this. That's not in the cards, and nobody's talking about it, but they're talking in serious ways about getting this done.
(washingtonpost.com/blogs/post-politics-live/liveblog/the-houses-syria-hearing-live-updates/?id=e68f139f-e012-476c-876e-2467ba30e5e3)

And he, the Secretary of State of the USA, is OK with peddling this to the world, Congress, and last and least, the American people, that our US Armed Forces are now for lease to the highest bidder!

He is serious about the profound "offer on the table," and sees nothing at all wrong or absurd with foreign countries, the Saudi Arabs and other Gulf states, paying the US to send its own military to do Israel's and the Saudis' dirty work, when the vast majority of Americans are opposed to any "interventionist" act of war against Syria at all.

Saudi Arabia and Israel have been friendly to each other for years, even without formal diplomatic relationships, arranging things between each other via the backdoor in DC.

Just google "Bandar bin Israel," a nickname for Prince Bandar bin Sultan bin Abdul Aziz al-Saud, who is the name behind the Saudi funding of the overthrow of the Assad regime, the FSA, the foreign mercenaries, Muslim Brotherhood and al-Qaeda, and also wants Iran destroyed.

Sharmine Narwani writes that Bandar was "the US's longtime go-to man in Riyadh – whose 22-year reign as Saudi Arabia's ambassador to Washington provided him with excellent contacts throughout the Israeli political and military establishments.

"The former ambassador to Washington has the kind of relationships that go deep – no Saudi knows how to twist American arms better than he. But to push western allies in the desired direction, the Saudis were in need of an influential and opportunistic ally that was also passionately fixated on the same set of adversaries. That partner would be Israel.

Like Israel, Bandar has long been a vocal advocate of curtailing the regional influences of Iran and Syria and forging a neocon-style "New Middle East" – sometimes to his detriment" [within the Saudi royal tribe].
<http://mideastshuffle.com/2013/08/31/bandar-ibn-israel/>

Paying for the US led war against Syria was doubtless negotiated when Kerry went to Saudia Arabia in June of this year to organize the push against Syria. If Kerry wasn't considering it a real offer, it wouldn't be "on the table," would it?

DC is Israel's bitch, indeed.

Syria is in the way of cheap gas/oil pipelines from Saudi Arabia and Qatar to Turkey.

The house of Saud and the Turkish (military) regime are all crypto Jews. Obama offered Al Assad billions of dollars to cooperate with the Jewish controlled world and to drop Iran/Russia as partners a few years ago. Al Assad refused.

More than a million people were murdered in Irak, and already 100,000 people were murdered in Syria, and I have no idea how many Afghans were murdered. If we don't make an end to the Jewish controlled oil/gas/coal industry by actively demanding alternative energy sources, then we dig our own graves. A big global change in energy technology is the ONLY way to end the power of Judaic tribe.

That is why the Zionists stole Tesla's 'free' energy technology, and that is why we see a huge amount of deliberate disinformation about alternative (free) energy technology on the internet.

That is why I dedicated my life to discovering the scientific background theory that explains cheap electric energy generator technology, discovered first by Nikola Tesla. My website: no.nl/tesla.

Dear Brother Nathanael,

Greetings from Greece. Does the Bureau of Statistics in the USA publish the number/percentage of family members of AIPAC members currently serving in the defense forces of the USA? It would be interesting to see how many are backseat drivers.

Also, I would like to know the USA defense force's costings for the proposed "crisis exercise/intervention" in Syria compared to the funds promised to help the people who suffered from Hurricane Katrina in New Orleans and Hurricane Sandy?

Correct me if I am wrong, the USA Congress could not vote to pass a bill to fund to help all the victims of natural disasters who could not help themselves, but its quite alright to vote for a Trillion dollar "crisis/intervention" because the printing press can not distinguish between treason and compassion.

How many shades of red is the "red line" in Syria? How green is green?

Kyrie Eleison!

I pray the truth comes quick and Archangel Saint Michael protect us from the cunning one.

WAR CRIMINALS.

JEW USA CRIMINAL MAFIA WAR Memo from Secretary of Defence 2007_03_02.

General Wesley Clark told us of this Memo.

The USA JEW Criminal Mafia had their WAR Plan all set out for the next 5 YEARS. The JEW USA COMMUNIST CRIMINAL MAFIA was going to use the USA Troops to attack 7 Countries.

YES, they had already planned to go to WAR attacking 7 Countries in 5 Years — Iraq, Syria, Lebanon, Libya, Somalia, Sudan, and then Iran.

The JEW USA CRIMINAL MAFIA planned this before 2007, so why are the American People so confused as to what is happening?

The “American People” have gone from the most LOVED in the World to the most HATED in the World as a direct result of the JEW Communist New World Order WAR MONGERING JEWS.

There is only ONE group of TERRORISTS in the World today and they are the JEW Communist New World Order WAR MONGERING JEWS.

Brother Nathanael,

Thanks for your insightful videos and articles.

My wife and I escaped from Australia because we discovered accidentally some secrets of state following a family search.

That country has been heavily infiltrated by Jews. A lot of them were accepted as refugees when they were kicked out of Egypt. There are now about 100,000 of them and most of them are SAYAN or collaborators of Mossad. In effect they are fifth columnist.

We knew some SAYANIM that were working in High Schools for ASIO (the Australian Secret Services) . The place is totally infiltrated now. Universities, the national Radio and TV broadcasters, Parliament, the newspapers are controlled by a Jew (Murdoch) even the secret services are controlled, and so on.

I know that over the years those people have infiltrated prominent families by marriage, bought and adopted children. People don't seem to understand the modus operandi of that tribe. They have permanent plans of infiltration and that's why they have been kicked out of 109 countries in the last 2400 years.

I wrote an E- book: "Escape from Australia: a gangstalking primer." It is about our experience in OZ. It can be downloaded freely after Log in at <http://www.themistsofavalon.net/forum>

Greetings and salutations Brother Nathanael,

I would like to comment, that it is a pity there aren't enough cyber spots or news outlets who are not reporting the truth about the sins of the Zionist Jews' corrupt power-broking on the world scene. You are doing exceptional work in speaking the truth and how it really is. My heartfelt congratulations to you.

As you know, Barack Obama is a loyal servant of his Zionist masters who needs to reassess what he has done in the recent past (in Libya, which is now a mess, as it now ruled by differing warring factions and militias).

And he needs to reassess what his predecessors have not achieved politically in their previous war domains in Iraq and Afghanistan.

President Obama seriously needs to reassess his plans on Syria.

It is inevitable, that Obama and his allies will 'fatalistically blitz' Syria into the stone age.

But, 'Assad (an outspoken critic of the United States, Israel, Saudi Arabia, and Turkey) will be their unexpected 'NEMESIS' in the coming times ahead.

America went ballistic with their rage on to the Arab & Muslim World after 9/11 struck them hard.

Bashar Al-'Assad was born on 9/11 in 1965! And he is literally worshipped as the expected 'Al Mahdi' by his own Alawite people and even by other minor Muslim sects in Syria!

Brother Nathanael,

Thank you for +BN Birthday piece, another great informative article with plenty of sources and for being very dedicated to exposing the Zionist /Jew influence if not domination in the affairs of Americans and Christians in the world.

I admire your courage to be outspoken about exposing the Zionists agenda, history and especial names given, but without being critical, I believe emphasizing that we believe Jews and Zionists have a right to lobby elected officials, to communicate their political ideology, and practice their religion in the United States of America.

BUT we believe in the U.S. Constitution allows these liberties to be for all Americans not giving preference to the Israeli Lobby or Jewish interests whom ironically want to subvert our Constitution.

I do not blame living Jews for killing Jesus, but they must be held responsible for the prosecution and intimation of Christians under Jewish control/influence.

The Syria Crisis is highlighting this idea of Israeli Lobby vs the American people. In my own website Liberty Happiness my tag line is:

"Your Happiness Depends on the Liberty that "We The People" are Afforded!" Maybe I should change "We The People" to "The People Of Israel" I love Jews and Israel as much as any other people or nations in the world. {Oh ain't I sweet!}.

It is becoming apparent that they do not love us or other non Jews in the world! So, it is not that I hate Jews I just want to restore the Constitution back to what it was intended to be and who it is to protect "We The People."

I think the Israeli Lobby is a major obstacle for this restoration. I would advise the Israeli Lobby to back off the Syria issue it is only making more of us empathic toward the grievances and issue of their enemies.

Thank you, Brother Nathanael, for the information.

Hi folks!

At last the Armageddon is upon us. The destruction of Israel/Babylon sure is coming.

We should rejoice. Our long wait is over. Our patience was tested to the brim. God has finally answered our prayers.

But hang on, our personal safety is not guaranteed. There's the Samson Option to be considered.

Thanks to assistance/cooperation from these countries (USA & France for nuclear bombs, Germany for the submarines & India for ballistic missiles) the Samson Option will hit close to home for many people.

I reckon once Israel is defeated, they would exercise the Samson Option. Western European cities would all be hit with severe devastation. Millions would die. My advice to you is to make an effort to move out of these cities.

Then if they've some change to spare, the eastern US would be hit. Perhaps less severe but lots parking spaces would be created.

The Baptists too would taste the Armageddon.

Again, my prediction is millions would die.

I trust that you'll make your own judgement & do what is right.

Dear Hoff,

Here is more on what Saudi Prince "Bandar bin Israel" has been up to, now the direct go between for the Saudis and the Israeli Jews.

I wrote earlier that Saudi Arabia and Israel have been friendly to each other for years, even without formal diplomatic relationships, arranging things between each other via the backdoor in DC.

Actually, I didn't mention that steps were now being taken to formalize diplomatic relations and establish a mutual defense pact between Tel Aviv, Riyadh, and Abu Dhabi.
~ ~ ~

From Times of Israel (May 2013): Israel may join defense pact with Saudi Arabia, UAE

Jordan and Turkey to also play role in US-brokered plan to contain, rather than thwart, Iran, London's Sunday Times reports

Israel is working on joining an anti-Iran defense alliance with a number of moderate Arab states that would involve sharing Jerusalem's newly developed anti-missile technologies,

a British newspaper reported Sunday.

The plan would see Israel join with [now openly Zionist Muslim] Turkey, Jordan, Saudi Arabia and the United Arab Emirates, to create a Middle Eastern “moderate crescent,” [that’s a joke — Saudi Arabia is one of the most repressive, intolerant regimes in the world who could care less about human rights] according to the Sunday Times [as opposed to the sectarian semi-myth of the “Shia Crescent,” a term coined by the Sunni king of Jordan in 2004] which cited an unnamed Israeli official.

Israel does not currently maintain formal ties with Riyadh or Abu Dhabi, and relations with Ankara have been strained since 2009.

According to the report, Israel would gain access to radar stations in Saudi Arabia and the UAE and in exchange share its own early warning radar information and anti-ballistic missile defense systems, though it’s not clear in what form. The report details that Jordan would be protected by Israel’s Arrow long-range anti-missile batteries.

The so-called 4+1 plan is being brokered by Washington, and would mark a sharp shift in stated policy for the White House, which has insisted the US is not interested in containing Iran but rather stopping it before it reaches nuclear weapon capability. <http://www.timesofisrael.com/israel-reportedly-may-join-defense-pact-with-saudi-arabia-uae/>

Last October, Netanyahu praised the extremely friendly ties with Saudi Arabia

...

The Israeli premier added that Tel Aviv and Riyadh have common economic and political interests in the Middle East.

In May, a report by Tel Aviv University said Saudi Arabia was Israel’s last hope and defense line, describing the Saudis as Tel Aviv’s last chance to protect its political interests in the Arab world.

The report said most of Israel’s allies in the region have collapsed and cannot play a significant role in the Arab world, adding that Saudi Arabia is the only country that stands against the Islamic Republic of Iran and thus it is Tel Aviv’s last line of defense against Tehran.

The report noted that the Al Saud family is very important to Israel because Saudi Arabia is very actively working in countries such as Yemen, Egypt, Iraq, and Lebanon to reduce [Shiite] Iran’s influence in those countries.

<http://www.presstv.com/detail/2012/10/27/269063/israeli-pm-hails-bilateral-ties-with-ksa/>

Which, without a doubt, also means the targeting of the persecuted Shiite minorities in those states, particularly in Saudi Arabia, whose traditional home is the same region of the Saudi Eastern Province that produces the bulk of Saudi oil.

Around two million Shia Muslims live in Saudi Arabia, most in Eastern Province; the Shia community is dissatisfied with the discriminatory behavior of the ruling Sunni authorities of the Saudi monarchy. The Arabian Shiites are not allowed to build mosques, and are reportedly 1/2 of the oil workers in Eastern Province.

There have been numerous demonstrations in Saudi Arabia’s Eastern Province since February 2011, with protestors calling for political reform. Activists say there are over 40,000 political prisoners in Saudi Arabia, many of them being held without trial or charges.

We don’t hear much about that from the Jew-owned White House, do we?

TheHolyCrow

September 6, 2013 @ 10:49 am

One of the main objects of Ww1 and Ww2 was to gain control of the MidEast oil supplies.

Little do most Americans know, but according to the published facts in the EXXON publication “The Lamp,” we Americans get only 14% of our oil from the ME. Most of our supply comes from Mexico and Canada.

In reality, We The People don’t need the Middle East for SQUAT. And, with the recent discovery of up to 400 BILLION barrels of shale oil under the OFFICER BASIN in South Australia, the importance of ME oil is even less to us. Certainly not risking a nuclear WW3 over.

To put the Australian discovery in perspective, Saudi Arabia has only 263 billion barrels of oil. And the Australians are our long time friends and allies. So why doesn’t the MSM in the USA tell us about this Hugh Australian discovery?

Could it be because the Israeli Firsters want to brainwash us into thinking that Israel is oh so important in keeping the oil spigot turned on?

And what about the hydrogen-on-demand technology that Stanley Meyer developed, had patents for, and was ready to put into mass production before he stumbled out of his local restaurant clutching his throat and muttering “they poisoned me.”

And what about the Motionless Electromagnetic Generator (MEG) that Bearden et al had patents for and was supposed to go into mass production in 2003. About the size of a toaster oven, it could power your house with leftover juice you could sell to the grid.

If you are not familiar with any of this info, it is all easily researched on the net. Just Google it. BTW, one very small oil company named LINC ENERGY has been quietly buying up acreage in the Officer basin, from what I have read and heard. And they aren’t the only one.

Saudi Arabia is “moderate?” Ha ha ha.

SA is a dynastic tyranny, and the state religion is the ultra-fundamentalist, neo-Zionist, Wahabi/Salafist school of Sunni Islam which strictly enforces the medieval form of Sharia Law.

Qatar, now the Saudis, and the UAE are bankrolling the foreign Wahabi/Salafist al-Qaeda mercenary terrorists in Syria.

The Saudis routinely behead people and stone people to death in public executions. Christianity isn’t tolerated; the Saudis turn an official blind eye, however, to Christian guest workers in Saudi Arabia, and at the same time keeps them on a tight leash.

Proselytization and conversion to Christianity carries the death penalty, despite the fact that the earliest Martyrs mentioned in the Quran as “believers” are the thousands of Arab Christians of Najran, who were massacred and burned to death in a large ditch by the Yemenite Jew and Himyarite king, Yusuf As’ar Dhu Nuwas (sometimes called Masruq the Crucifier in contemporary Christian acts) in AD 524, about a century prior to the advent of Islam.

Najran was an oasis, with a large Christian population and the seat of a Bishopric. It sheltered an oligarchy of Christian merchants which were as rich as any in Edessa or Alexandria.

It had been an important stop on the spice route from Hadhramaut.

Najran had been an important center of Christianity in South Arabia and the focus of international intrigues in which economics, politics, and religion were all entangled.

Dhu Nuwas hoped to create, in the rich lands of Southern Arabia, a “Davidic” kingship which was independent of the Christian powers, and hoped to extinguish Christianity in Arabia. Some sources, especially modern Jewish, try to paint Dhu Nuwas as a convert to Judaism.

However, to claim a Davidic kingship, he would have to have been an actual descendent of King David, of which there were many in the province of Babylonia, and by tradition the Exilarch was a descendent of David, some of whom had no doubt migrated into southern Arabia.

According to one source, Dhu Nuwas was the great grandson of the Tobiad King of Himyar, Abu-Kariba Assad Tubba’ (with his own brand of Sadducee Judaism brought from Palmyra).

Abu-Kariba’s grandson Shamir al-Janah, who had been sent to China, married the daughter of the Jewish Exilarch Huna V (r 465-470) and from this union Dhu Nuwas was born.

Upon the failure of his uncle Mar Zutra II to create a Jewish state in Persia, Dhu Nuwas returned to Arabia, killed the Lakhmid usurper and sacked the Byzantine Arab Christian colony of Najran, and attempted to rally all Arabia to his cause.

He was the first to adopt Persian, Rabbinic Jewish customs of Persian Babylonia and

introduced them to Arabia.

By adopting the more conventional version of Pharisaic Rabbinic Judaism, he hoped to claim the rights and honors of a Tobiad ruler of the Trans-Jordan, from the "Nile to the Euphrates." He styled himself "The King of all the [Twelve] Tribes."

He also considered Najran to be a Byzantine base that controlled the Red Sea trade route and did harm to the economic situation of Himyar.

When Dhu Nuwas invaded, he called upon its people to abandon Christianity and embrace Judaism. When they refused, he had them thrown into burning ditches alive. Estimates of the death toll from this event range up to 20,000 in some sources.

Some sources say that Dus Dhu Tha'laban from the Saba tribe was the only man able to escape the massacre of Najran, who fled to Constantinople to seek help and promptly reported everything. Other sources have survivors fleeing to the Axumite kingdom in Ethiopia.

Other sources say that the Jew Dhu Nuwas was so proud of what he had done that he sent letters to the Lakhmids and Persians about it, urging them to go massacre some Christians of their own.

The Lakhmids were busy trying to make peace with Byzantium, so they handed over the letter to the imperial ambassadors to send back to their emperor, Justin I.

This brought about the wrath of emperor of Byzantium, Justin I who, as protector of Christianity encouraged his ally, the Abyssinian king Ella-Asbeha of Aksum, to invade the country, kill Dhu-Nuwas, and annex Himyar in 525.

The Banu Horith Martyrs of Najran, and their leader al-Harith (aka Arethes, Aretas), the men, women and children who steadfastly held to their faith, even jumping alive into the burning ditch, are remembered in the Christian calendars and are even memorialized in the Qur'an where the persecutions are condemned and the steadfast believers are praised.

In Najran, they set up a great ka'aba (that's simply Arabic for shrine; it is not an exclusive Muslim word, and there used to be lots of ka'aba shrines besides the one in Mecca) in memory of the glorious martyrs.

The Ghassanids and other Christian groups took the names of the martyr saints for baptismal names.

The story of the bravery of the Banu Horith is told in the Koran, in the short Surah "Al-Buruj" (the Constellations, or the Houses of the Stars), in the story of the As Hab al-Ukhdoon (makers of the ditch, or people of the ditch).
